

THE NAIROBI HOSPITAL

## FIRE SAFETY POLICY

The Nairobi Hospital is committed to managing fire safety as an integral part of our operations.

The Hospital is committed to:

- Developing, implementing and maintaining efficient fire safety system and programs.
- Ensuring compliance with all applicable legal and regulatory requirements.
- Undertaking fire risk assessment, fire safety inspections and audits.
- Building staff capacity in firefighting and evacuation.
- Conducting periodic fire evacuation drills and testing for emergency preparedness.
