

THE NAIROBI HOSPITAL

## FOOD SAFETY POLICY

The Nairobi Hospital recognizes its paramount responsibility as a healthcare provider to give safe meals to patients, staff and visitors.

The Hospital is committed to:

- Providing the resources that will enhance food safety throughout the food processing chain.
- Implementing procedures aimed at preventing, minimizing and/or eliminating food safety hazards at all levels of food production and service.
- Communicating to staff, suppliers and other stakeholders on matters related to food safety.
- Complying with all applicable legal and regulatory requirements.
- Evaluating compliance with food safety requirements through regular audits.
- Continually improving our Food Safety Management System.
