

THE NAIROBI HOSPITAL

QUALITY POLICY

The Nairobi Hospital is committed to providing healthcare to international standards and aims at becoming a Total Quality Hospital.

The Hospital Management is committed to:

- Ensuring our facilities and practices consistently deliver desired levels of quality performance.
- Partnering with our suppliers and other service providers in the provision of quality healthcare services.
- Recruiting qualified personnel and developing staff competence.
- Providing quality basic and advanced nursing education.
- Periodic review of quality objectives.
- Continually improving our Quality Management System.
